Dear Hamideh,

were not given the visa and will not be here. I have shared my deep displeasure about this with IFLA (anger would be a more accurate word, honestly) and made it very clear that this sort of potential attitude on the part of the host country must be taken into account in the future

Election to the Serials and Other Continuing Resources Standing Committee 2023-2027

IFLAHQ

To: me - Thu, May 4, 2023 at 1143 AM ~

Dear Hamideh Memari.

Congratulational On behalf of the IFLA Governing Board, I am writing to welcome you as an elected member of the above-mentioned IFLA Section.

You have been elected for a place on this Standing Committee and your term begins following the IFLA WLIC 2023 Closing Session on 24 August 2023. Your term of office will run from August 2023 to August 2027. You are eligible to stand and to vote for the positions of Standing Committee Chair, Secretary and Information Coordinator (Officers). These elections will take place in June, and you will hear more from the current Chair of the Standing Committee.

As you are aware, IFLA's Sections develop activities and resources to support the global library field. This can only happen with your wholehearted commitment and engagement with others on your Standing Committee. In turn, you will gain an international perspective and a network of colleagues passionate about your area of librarianship.

I invite you also to register for the IFLA World Library and Information Congress being held in Rotterdam, The Netherlands, from 21-25 August 2023. All IFLA committees will have business meetings during the Congress. Take advantage of the lowest rates ever and the Early Bird registration rate before 16 May 2023.

Wishing you a very successful term of office.

Kind regards,

Helen Mandl

Acting Secretary General
